LAND

Barbell Strength: ●●●

Designed to increase muscular strength and endurance using barbells and dumbbells. Barbell complex movements may stay the same week-to-week to help with motor learning and progress.

Boot Camp: ●●

An interval training class that mixed calisthenics and body weight exercises with cardio and strength training. With a new workout every week, these classes are designed to push participants harder than they'd push themselves and to always keep the body guessing.

Butts & Guts: ●●●

Butts and guts is a class just for your lower body! Sculpt, shape, and strengthen your abdominal, buttock, and thigh muscle groups in this targeted, workout. This class will strengthen and tone all your core muscles, working on the back, butt and thighs.

Candlelight Yin Yoga: ●●●

Calm your body and mind in this 75-minute yin yoga class. While breathing mindfully, we begin by moving through gentle and grounding postures before transitioning into the more traditional yin style of yoga, which consists of holding simple poses for time (usually 3-6 minutes). Yin is a gentle and relaxing, yet functional style of yoga which is suitable for all levels. Class will be held in candlelight throughout the winter months.

Chisel: ●●●

Designed to increase muscular strength and endurance using a variety of equipment. Work your body head to toe and push your body to the next level!

Chisel & Burn: ●●●

This class is designed to help shed that excess fat while building strength and endurance.

Core: ●●●

This 20-minute class incorporates core exercises to strengthen the muscles of the spine, abdomen and pelvis. Exercises may be done on the floor, ball, or standing. Modifications can be given.

Core Flow: ●●●

Energize yourself with a dynamic fusion of stretching, range of motion, balance, and core conditioning. This athletic class will flow through standing poses connecting breath to movement, strengthen the core, increase range of motion in the joints, and finish with deep stretching and relaxation. Modifications will be offered, all levels are welcome.

Cycle, Core, Connect: ●●●

This cycle class will begin with a gradual warm-up and progress into a 30-minute, high intensity ride through intervals, sprints, jumps and climbs! We will make a connection between posture, core and overall strength while cycling. Core combinations will be incorporated throughout the ride and finish with an off-the-bike cool down and stretch. Come prepared to sweat, with a full water bottle, towel!

Gentle Yoga: ●●

This gentle yoga class is great for beginners or those looking for increased mobility and relaxation in their yoga practice. This class will move through poses by standing, as well as poses seated on the floor, tabletop, and lying on your back and abdomen. These poses focus on balance, core strength, and flexibility. Variations and modifications are given using blocks, blankets, yoga straps, etc.

Hatha Flow Yoga: ●●●

This class consists of practicing traditional Hatha yoga poses (asanas), breathing and meditation for beginner to intermediate. This class will focus on short flow sequences, that will enhance strength, flexibility, and balance. Benefits may be gained from incorporating breath work through out the practice.

HIIT Cardio/HIIT Strength/HIIT Sculpt: ●●●

In this high intensity full body workout, you will move at a rate that is ideal for calorie burning. With a mix of body weight exercises, cardio moves, and strength training, you can expect to be challenged in a different way each class. Exercises can be modified for ALL LEVELS.

Outdoor Boot Camp: ●●

An interval training class that mixed calisthenics and body weight exercises with cardio and strength training. With a new workout every week, these classes are designed to push participants harder than they'd push themselves and to always keep the body guessing. *Children are welcome to sit outside during class, since childcare doesn't open until 8:30.*

PIYo Sculpt: ●●●

Join Leanne on Friday mornings for her full body workout. She will take you through a series of traditional PiYo combinations in a condensed format, using Pilates and yoga practice at a non-traditional pace utilizing light dumbbells. Come ready to work hard and sweat for this one!
