

Dear Yoga Participants,

In order for everyone to enjoy the yoga classes we offer here at Safari Island, we ask the following of you:

- Please arrive at least a few minutes before class and promptly set up your yoga mat and/or other items that support your yoga practice. Please be on your mat and ready to practice yoga at the start of class.
- If you are late, please do not enter the classroom once the doors are closed. You may enter after centering is finished and you see people moving around.
- If you need to leave early, please leave at least 10 minutes before class is scheduled to end so you do not interrupt those who are preparing for shavasana.

We greatly appreciate your cooperation so that all can enjoy the yoga classes we offer.

Thank You!

~The Safari Island Staff~
