## LAND

### **Barbell Strength:** ●●●□□

Designed to increase muscular strength and endurance using barbells and dumbbells. Barbell complex movements may stay the same week-to-week to help with motor learning and progress.

### **Beginner LYT Yoga™ :** ●●●□

Developed by physical therapist Lara Heimann, is the perfect marriage of movement and anatomy. This class is designed for people that might be new to yoga or new to this method. Each class moves through a slow vinyasa sequence following a blueprint that addresses postural imbalance and sets you up to move in a variety of ways. Use of blocks and modifications is encouraged. You will learn to move better and feel better in your body.

### **Butts & Guts:** ●●●□

Butts and guts is a class just for your lower body! Sculpt, shape, and strengthen your abdominal, buttock, and thigh muscle groups in this targeted, workout. This class will strengthen and tone all your core muscles, working on the back, butt and thighs in particular.

### **Cardio Dance Mega Mix:** ●●●□□

Combine easy-to-follow cardio dance moves with intervals of strength training and you have mega mix! Low- and high-impact options will be offered along with a variety of weights for a class that fits your cardio and strength goals...plus it will strengthen your mental skills, too! No coordination necessary!

### **Cardio Step:** ●●

Throwback to the days of cardio step with this progressive class. Easy to follow combinations using the step with risers. Turn step, knee repeaters, and around the world are a few keywords to jog your memory used in this heart pumping rhythmic throwback!

### **Chisel & Burn:** ●●●

This class is designed to help shed that excess fat while building strength and endurance.

### **Core:** ●●●

### **Core Flow Yoga:** ●●●□

Energize yourself with our own dynamic fusion of yoga, Pilates, and core conditioning. This athletic class weaves sun salutations, abdominal work, and vigorous yoga poses in a heat-building, breath based flow. Come ready to sweat! All levels welcome.

### **Cycle, Core, Connect:** ●●●□

This cycle class will begin with a gradual warm-up and progress into a 30 minute, high intensity ride through intervals, sprints, jumps and climbs! We will make a connection between posture, core and overall strength while cycling. Core combinations will be incorporated throughout the ride and finish with an off-the-bike cool down and stretch. Come prepared to sweat, with a full water bottle, towel!

### **Cycle & Strength:** ●●●□□

You've tried a traditional cycling class. Now, why not mix it up? Cycle & Strength is an intense combo class that will push your body to the limit. It combines 25-30 minutes cycling followed with upper body and core strength conditioning. Expect to work with a variety of equipment in this class that will keep you and your body guessing!

### **Gentle Yoga:** ●●□

This gentle yoga class is great for beginners or those looking for increased mobility and relaxation in their yoga practice. This class will move through poses by standing, as well as poses seated on the floor, tabletop, and lying on your back and abdomen. These poses focus on balance, core strength, and flexibility. Variations and modifications are given using blocks, blankets, and yoga straps, etc

### **Hatha Flow Yoga:** ●●●□

This class consists of practicing traditional Hatha yoga poses (asanas), breathing and meditation for beginner to intermediate. This class will focus on short flow sequences, that will enhance strength, flexibility, and balance. Benefits may be gained from incorporating breath work through out the practice.

### **HIIT Sculpt:** ●●●

In this high intensity full body workout, you will move at a rate that is ideal for calorie burning. With a mix of body weight exercises, cardio moves, and strength training, you can expect to be challenged in a different way each class. Exercises can be modified for ALL LEVELS.

### **Kettlebell Crush:** ●●

This is an advanced, fast-paced class. Be ready to lift, swing, snatch, and flow your way into shape with the kettlebell to promote: core, strength, cardiovascular endurance, muscle tone, and increased mobility. This non-impact workout will elevate your heart rate and simultaneously challenge your major muscle groups.

### **PIYo Sculpt:** ●●●

Join Leanne on Friday mornings for her full body workout. She will take you through a series of traditional PIYo combinations in a condensed format, using Pilates and yoga practice at a non-traditional pace utilizing light dumbbells. Come ready to work hard and sweat for this one!

### **Rip & Row:** ●●□□
